Re: Application of DV2, Inc. for a Certificate of Convenience and Necessity
as a Competing Telecommunications Services Provider, Docket No. 00-
00351

VIA HAND DELIVERY

Dear Mr. Waddell:

This letter documents telephone conversations I have had with Mr. Darrell Whitis regarding the CLEC Application of DV2, Inc., which was submitted last year to the Tennessee Regulatory Authority. The Authority is presently awaiting DV2's response to an Information Request for the submittal of the surety bond or letter of credit pursuant to TCA § 65-4-125.

As discussed today with Mr. Whitis, processing of the application of DV2, Inc. will be suspended until November 16, 2001, or until DV2, Inc. reactivates the application before that date by submitting necessary outstanding documentation. On or before November 16, 2001, to proceed in seeking CLEC authority in Tennessee, DV2, Inc. will supply to the TRA the required surety bond and also any updated application information including, but not limited to, then-current financial statements.

Thank you for your consideration in this matter. If you have any questions or comments, please call me at 252-2302.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
